A.D. Makepeace Cranberry Bog Tour Program

The A.D. Makepeace Company, which is the world's largest cranberry grower, is pleased to offer Cranberry Bog Tours to groups and educational institutions. Tours may be arranged for students, seniors and other organizations.

While the most popular time of year to see the bogs is during the cranberry harvest, we invite your group to come visit us at any time of the year. Our staff can discuss the growing cycle of cranberries, and show photographs and video of the bog at different times of the year. Whether it's springtime irrigation or winter sanding, there are always activities which are interesting and entertaining for all ages.

Below please find the tour guidelines, fees, and box lunch offerings from the Tihonet Village Market.

Tour availability: Tours are offered throughout the year. The cranberry harvest season runs from mid-September through early November. Winter tours are subject to Mother Nature's cooperation. All tours are subject to availability and must be coordinated in advance.

Transportation: Your group will be guided to a bog area via the vehicle(s) in which you arrive. Please note, our bogs are located on dirt roads and some are in remote areas. We encourage you to be prepared for a slightly bumpy, yet safe ride. Roadways are sufficient for passenger and school buses.

Tour Length and Subject: Upon arrival, your group will be greeted and engaged in discussion with our tour director. During the tour, your guide will show the group examples of an existing bog, currently in production. Depending on the time of year, we will make every effort to show you a bog being harvested. Our company is in the process of renovating older bogs as well as building new bogs; viewing may be included during your tour. Your guide will discuss the yearly cycle of cranberry growing, discuss the methods of harvesting and give you some insight on being a cranberry farmer. There will be plenty of time for questions and discussion during the tour.

A.D. Makepeace Cranberry Bog Tour Program

Continued

A typical tour lasts approximately **one hour and a half**. All of our tours can be customized to meet your time requirements. Additional activities can be arranged, including “bog in a cup”-project and drawing contests. After the tour, the group is welcome to enjoy a picnic lunch at the A.D. Makepeace Company headquarters, if desired. The area is equipped with several picnic tables, restrooms and trash receptacles. An optional **Box Lunch Menu** from the Tihonet Village Market is attached for your review.

Payment and Fees: Adult tour fees are \$6.00 per person. Educational tour fees are \$4.00 per student. There is no fee for teachers and chaperones. Make payment to ADM Cranberry LLC, 158 Tihonet Road, Wareham, MA 02571. Financial assistance is possible, call to discuss.

How to dress: Expect to be outdoors for the entire tour. Some areas of the farm may be muddy, depending on the weather. Please have all group members properly dressed and prepared for cool or poor weather conditions.

Weather Policy: Tours are held rain or shine. Because we are a wet harvest operation, we will harvest rain or shine. Cancellation may occur if weather is severe.

Classroom/Student Activities: Upon request, we are able to offer you educational packets provided by The Cape Cod Cranberry Growers’ Association (CCCGA). Please also take time to review the new Cranberry Curriculum developed by CCCGA
<http://www.cranberries.org/exploringcranberries>.

Tihonet Village Market: The A.D. Makepeace Company’s Tihonet Village Market is open during all tours and offers a variety of items, including cranberry-themed gifts and foods, produce, crafts, and a full deli and bakery. The Market offers lunch daily and many fresh baked items for your group to enjoy. Attached is our tour group box lunch menu. Your group is also welcome to bring lunch and use our grounds for picnicking. Please call to coordinate either option.

Directions and bus parking: Your guide will meet you at the Tihonet Village Market, 146 Tihonet Road, Wareham, MA 02571. Your tour will begin at and return to that location.

Thank you again for thinking of the A.D. Makepeace Company for your cranberry bog tour. For more information or to coordinate a tour contact:
